i see yellow  
i see orange  
i see green  
icy blue  
i see every color that has ever been  
inside of you.  
if it's boring,  
just ignore me  
don't tell me  
who are you?

who  
who  
who  
who?

if i wake up  
or we break up  
no make up.  
who are you?  
when we're fighting  
it's exciting  
each other,  
even you  
if you give up  
before it's time  
you are through.
