

Brian Jonestown Massacre, Wisdom

if i thought i knew the reason
why i've gone and fallen
in love with you
you're the one thing i believe in
and i know quite well
what i've got to do
first you say it's ok
then you say there's no way
then i'm making love to you!
you're the one thing i believe in
and know it's time cause i've
got to tell you

my love
is
like a flower
daisies
are
always free.
pulling out
the petals
i
wonder,
if you
love me?
love.
love me,
love me!

if i thought i knew the reason
why i've gone and fallen
in love with you
you're the one thing i believe in
and i know it's time because i've
got to tell you
first you say it's ok
then you say there's no way
then i'm making love to you!
you're the one thing i believe in
and
i'll get my way
or
i'm going to kill you
