

# Brian Jonestown Massacre, Wisdom

if i thought i knew the reason  
why i've gone and fallen  
in love with you  
you're the one thing i believe in  
and i know quite well  
what i've got to do  
first you say it's ok  
then you say there's no way  
then i'm making love to you!  
you're the one thing i believe in  
and know it's time cause i've  
got to tell you

my love  
is  
like a flower  
daisies  
are  
always free.  
pulling out  
the petals  
i  
wonder,  
if you  
love me?  
love.  
love me,  
love me!

if i thought i knew the reason  
why i've gone and fallen  
in love with you  
you're the one thing i believe in  
and i know it's time because i've  
got to tell you  
first you say it's ok  
then you say there's no way  
then i'm making love to you!  
you're the one thing i believe in  
and  
i'll get my way  
or  
i'm going to kill you
