

Brian Littrell, Over My Head

I tried to figure it out
Time and time again and time again
I guess there's just some things I'll never understand
'Cause Your ways aren't our ways
But deep down in my soul, down in my soul
There is one thing I know that I know

I'm in over my head
Right where I wanna be
I'm so lost within Your love
The love that always covers me
So high, so deep, so wide
A strong and cleansing tide
My soul has found a place to rest
I'm in over my head

I've been holding on
Now I'm letting go, just letting go
Gonna let Your love carry me away
I don't know where I'm going
But I'm surrounded by the truth
And I can feel the current pulling me
Deeper and deeper into You

You see me for who I am
You did reach out Your hand
You made me understand
That Your love has always covered me
