Brian May, Cyborg

(Brian May)

Welcome to my World!!!
Come play with me! I'm waiting!

I play their fantasy and
I live their pain
My heart and soul locked up in a
Cold steel frame
A strange creature's crawling and it's
Calling out my name
I don't want to
I don't need to
But I must fight again
(Let me out! - Set me free!)

Calling out for the Cyborg
Gonna rub you out
Time is up for the Cyborg
You'll never get out
Bah! you're nothing but a Cyborg

Cyborg, it's your time

I'll make it back there baby
Just you watch me try
(One more try - just one more try)
We'll fly again
Into the deep blue sky
I feel a hunger baby
Cyborg feels no shame
Lord I have to
Lord I need to
Win this wicked game

Come Step to Me

Calling out for the Cyborg
Gonna rub you out
Time is up for the Cyborg
You'll never get out
Calling out for the Cyborg
Gonna put your light out
Bah! you're nothing but a Cyborg
You'll never get out

I' m gonna erase your file
