

Brian May, Someone To Die For

Before you landed
I had a will but didn't know what it could do
You were abandoned and still your handing out what you don't want to lose
You make me drop things
Like all the plans I had for a life without you

Someone to die for
Someone to fall into when the world goes dark
Someone to die for
Someone to tear a hole in this endless night
Someone...like you

I'm drunk when sober
The room is spinning
You are what I hold onto

You're taking over
I find that giving in is the best that I can do

Someone to die for
Someone to die for
Someone to die...
Someone
Someone
Someone
