You don't know what you do to me
You changed around the scenery
And now everything is new to me
But it looks just right, yeah, it looks just right
It's strange but it's beautiful
Yet I know where I am
I've never been here before
I've never been loved like this
Never been tumblin', stumblin' over the words
That get tangled inside of me
I've never been moved this way
Nobody's ever made me say
99.9% sure
I've never been here before
I'm walkin' in a wonderland
Gone ever since it all began
And I don't even want to understand
'Cause it feels that good, yeah, it feels that good
It's a state that ain't on the map
Yet I know where I'm at
I've never been here before
I've never been loved like this
Never been tumblin', stumblin' over the words
That get tangled inside of me
I've never been moved this way
Nobody's ever made me say
99.9% sure
I've never been here before
