

Brian McComas, Good Good Lovin'

You got to me
I got to you
We got somethin' that's steady and true
It's a good good lovin'

Backroads boy
Bright-eyed girl
With our own little piece of the world
It's a good good lovin'
Yeah, it is

Chorus

Gimme that sweet, sweet surrender
For as long as I can remember
It's been the real thing
We ain't pretenders
Yes, you're somethin'
Ooh baby, that good good lovin'

Rooster crows
Up with the sun
Come home runnin' when the day is done
For the good good lovin'

Front porch swing
Starry night
Doin' our thing and doin' it right
It's a good good lovin'
Yeah, it is

2nd Chorus

Gimme that sweet, sweet surrender
January through December
Baby, it's the real thing
We ain't pretenders
It's next to nothin'
Ooh baby, that good good lovin'

Time for bed
Steal another kiss
Ain't no feelin' better than this
It's a good good lovin'

Close my eyes
Start to pray
Ask the Lord for one more day
Of the good good lovin'
'Cause it is

3rd Chorus

That sweet, sweet surrender
January through December
Yeah, it's the real thing
We ain't pretenders
Yeah, extra somethin'
Oh, it's next to nothin'
Ooh baby, that good good lovin'
Yeah, good good lovin'
Yeah
Good good, good good lovin'
That's good, bro
