

Brian McKnight, Christmas Time Is Here

Well the snow is beginning to fall
And the day of Thanksgiving has come and gone
Silver bells begin to ring
Hear little children sing
Silent Night was never just a song

Stockings are hung by the chimney with care
It's the most wonderful time of the year
Ice cream castles in the sky
There is happiness in their eyes
'Cause Christmas time is here

Ring a ding-ding Wrapping presents
Hearts reflect the fire's glow
I have you underneath the mistletoe
And all is fine
Fall down like rain upon me
Give me something I can feel
So then I'll know
Then I'll know this is for real

Stockings are hung by the chimney with care
It's the most wonderful time of the year
Ice cream castles in the sky
There is happiness in their eyes
'Cause Christmas time yes
Christmas time yes
Christmas time is here
