

Brian McKnight, Everything

Yesterday
Lookin in your eyes
I caught a glimpse of tomorrow
And that's when I realized
That dreams come true.
For your love there's nothin'
I would not do.
Do I love you?
Baby, I do.
That's why...

I'd sail across the ocean
Bring you the sun.
With you I see forever
You are the one.

Girl, you're everything I need and more.
You are my everything
My everything
For sure.

My heart
Beats for you
You're a light in the darkness
You make me feel brand new
And lookin' in your eyes
I can tell you feel the same way too.

Do I love you?
Baby, I do
Thats why...

I sail across the ocean
Bring you the sun
With you I see forever
You are the one

Girl you're everything i need and more
You are my everything
My everything
For sure

I wish I may
(Wish I might)
I wish I might
Have you in my arms
For the rest of my life

And I pray that you'll stay
In my heart for always

I sail across the ocean
Bring you the sun
With you I see forever
You are the one

Girl, you're everything I need and more
You are my everything
My everything
For sure...
(repeat until fade)
