

# Brian McKnight, Find Myself In You

I was so lonely though there was so many someone's waiting  
I'm so glad that this ain't that  
Girl you're the only reason I can make it through the long long day, and that's a fact

Baby, I can't wait to get next to you, oh I can't wait to wrap my arms around your body  
Baby I can't help but to tell the truth  
Oh it's so hard to wait till no one else is around  
I'm gonna try to keep myself together  
till I find myself in you  
Baby no no  
Before they take you back to heaven  
Gonna find myself in you, no no  
I hate to keep you waiting  
But there are some things that need my attention before I can get back to you  
Anticipating my hands all over your body, baby you know  
I know just what to do

And baby I can't wait to get next to you, oh I can't wait to wrap my arms around your body  
Baby I can't help but to tell the truth  
Oh it's so hard to wait till no one else is around  
I'm gonna try to keep myself together

till I find myself in you  
Baby no no  
Before they take you back to heaven  
Gonna find myself in you, no no, no no baby

The only place I want to be is right here with you  
Loving you down and you  
You can take what you want from me  
long as you let me  
Hang around  
I'm gonna try to keep myself together  
Till I find myself in you  
Oh Baby  
Before they take you back to heaven  
Gonna find myself in you, oh baby  
I'm gonna keep myself together  
Till I find myself in you  
Oh, baby, baby  
Before they take you back to heaven  
Gonna find myself in you  
Listen, listen
