

# Brian McKnight, For The Rest Of My Life

Starlight, star bright  
I never felt the way I feel tonight  
Sparkle in your eyes, as the diamonds shine  
Guaranteeing that you'll always be mine

Let me tell you that for the rest of my life I'll be true  
And the rest of my days and nights, belong to you  
You can believe that there ain't nothing in this world I'd rather do  
Now and forever my heart belongs to you  
Now and forever for the rest of my life I love you

And it's alright, go ahead and cry  
I'm so happy now that I could die  
And you've touched my soul more than you know  
So afraid that you would tell me

Let me tell you that for the rest of my life I'll be true  
Here to tell you this evening  
And the rest of my days and nights, belong to you  
You can believe that there ain't nothing in this world I'd rather do  
Now and forever my heart belongs to you  
Now and forever for the rest of my life I love you

The countdown has begun until the day  
And I know that we're gonna be together come one may  
And if you want me you need me to always be there  
Constantly patiently take into care  
I'll be there, you know I'll be there

For the rest of my life (my life) I'll be true (I'll be true)  
And the rest of my days and nights, belong to you  
You can believe that there ain't nothing in this world I'd rather do  
Now and forever my heart belongs to you  
Now and forever for the rest of my life I love you
