

Brian McKnight, Get Over You

Should've been there
Everytime you called
Should've given you everything
Given you my all

But I was just selfish
Thinking 'bout myself
Should've given the best of me
To nobody else

'Cause there's no living without you
And it feels like I'm losing my mind

Baby I...
Can't sleep at night
Without you
Right by my side
My pride always gets in the way
I lied...
I should have begged you to stay

It may take 'til forever is through
To get over you

Should've made you happy
Should've been strong
Should've made you believe
You were right where you belonged

Don't know what you got
'Til it's gone
Don't tell me it's too late
To right this wrong

'Cause there's no livin' without you
And it feels like I'm losin' my mind

Baby I...
Can't sleep at night
Without you
Right by my side
My pride always gets in the way
I lied...
I should have begged you to stay

It may take 'til forever is through
To get over you

Somethin'...
Somethin' ain't right
Girl lately
My sun doesn't shine
Won't you come back into my life?
Girl can we try...
Again

Baby I...
Can't sleep at night
Without you
Right by my side
My pride always gets in the way
I lied...
I should have begged you to stay

It may take 'til forever is through
To get over you
