{Brian}

Remember way back when, when I first met ya
Didn't wanna sweat ya, wanted you to put me on
1 - 5 - 5 at the Rucker's
All them other suckers tried the game
I knew you were the one, oh yeah

Well, I know you think about me (you think about me)
But I don't know what you're waitin' to see
Girl, I want you in my life
Let me show you right
You're the only one that matters to me (c'mon)
Girl, it's about time

{chorus}

It's time you put me on
Right here's where you belong
Don't be afraid to hold me
I'm here and it's OK
There's nothing else to say
Don't be afraid to hold me

When you were alone that night
I called you from Jamaica
You were listening to "I'll Take Her"
And I know I made ya smile (mm, hmm)
But I ain't on the shining tip
But I know you like that flossy shit
I just want to hold you for a while, oh, girl
Well I know you dream about me (I know you dream about me)
But I don't know what you're waitin' to see
Girl, I want you in my life
Let me show you right
You're the only one that matters to me (c'mon)
It's about time
{Repeat chorus}

{Tone}

KB, sing it, Kobe

{Kobe}

Your love's a sword slicing gently through my body

Burn so sweet, blood boils when you speak (yeah)

Makes me weak but I refuse to weep

Yet when I sleep I feel tears tricklin' down my cheek (c'mon)

Stay strong, pride telling me move on

My heart's fightin' me, forcin' me to hold on

Yours forever, fell for you beyond measure

Pure as ever, fazed by sins of treasure

{Brian}

Tonight's the night

(Tonight's the night, tonight)

Let's make it tight baby

(Let's make it tight, tonight)

Leave all our cares

(Leave all our cares behind)

Tonight's the night

(Tonight's the night, tonight)

Hey

{Tone}

Here we go

{Repeat chorus until fade}
