

# Brian McKnight, It's All About Love

Chorus

It's christmas  
Give love til' there's peace  
Til' there's more than enough  
It's christmas  
Give love,it's all about love,yeah yeah

Today I saw a man,on the street  
Yeah,Yeah,Yeah  
He was cold  
He was tired  
And there were no shoes on his feet  
He said can you spare a dime?  
It won't take you much time  
Til'I can get back up on my feet  
I look to heaven and pray  
Day after day  
I'm just trying to get something to eat

Chorus

And what about the woman  
Who walks the night alone  
With no place to sleep,yeah yeah  
And what about the child  
With the broken heart  
Through teary eyes that can't really see  
All they need is a hand  
Someone who understands  
To listen to the cry that they make  
Instead of walking on by  
Take a look into their eyes  
And help somebody find their way

Chorus

Just open your heart  
Cause there's someone out there who's needing you now  
A little love  
Is something that can't be replaced  
Put a smile on each face  
Somehow,right now

On this holiday  
I don't care what people say  
I'm gonna put there weight upon my shoulders  
(while chorus sings)For God so loved the world  
That He gave his only Son  
Not just for me  
Not just for you  
For everyone  
Give love it's all about love
