

Brian McKnight, Marilie

Dear, everytime you're near
Unreal as it may seem
You stepped right out of a dream
Oh my, did you fall down from the sky
To cause my world to spin
Now I'm back in love again

Marilie, I know you're the one for me
Yo te quiero a si
Everytime I look into your eyes
Marilie the most beautiful eyes ever seen
You're everything I'll ever need
You help me be all I can be
That's why I love you Marilie

I feel like I could fly
With your hand in my hand
I'm some kind of superman
See now how you and I are free
Still what goes up comes down
I'll never let you touch the ground

Marilie, I know you're the one for me
Yo te quiero a si
Everytime I look into your eyes
Marilie, the most beautiful eyes ever seen
You're everything I'll ever need
You help me be all I can be
That's why I love you Marilie

Marilie, I know you're the one for me
Yo te quiero a si
Everytime I look into your eyes
Marilie, the most beautiful eyes ever seen
You're everything I'll ever need
You help me be all I can be
That's why I love you Marilie

Marilie, I know you're the one for me
Yo te quiero a si
Everytime I look into your eyes
Marilie, the most beautiful eyes ever seen
You're everything I'll ever need
You help me be all I can be
That's why I love you Marilie
