

# Brian McKnight, Stay Or Let It Go

(Spoken:)

What's up girl  
I need to talk to you for a minute  
I can't keep playin' myself like this  
There's only one thing I wanna know  
Should I stay, or should I go?

It's not my fault that you made yourself  
A regretful past  
But all I know is it makes me look bad  
When I'm holding your hand and you see  
Old friends you knew  
And they walk away laughing calling me a fool  
Now baby I can't change the things you did before we met  
Even though I didn't know you  
But it's hard for me to trust you even though girl I love you  
So tell me what am I to do

Chorus:

Don't know if we will last  
And if we do last can I erase the past  
Girl can you tell me I don't know  
Should I stay or let it go  
Don't know if we're meant to be  
And if we should be can you live faithfully  
Girl can you tell me I don't know  
Should I stay or let it go

I think of the night that I made reservations just for two  
But you gave your attention to someone across the room  
I should of known right then that things just weren't right  
But I couldn't see it 'cause love had me so blind

Now tell me how can I be so secure in loving you  
When everybody's calling me a fool  
I can't keep holdin' on to broken promises from you  
I can't take no more from you

Chorus

Baby time and time again I tried to overlook the pain  
Couldn't think of losing all we had to gain  
Girl if it takes me losing you for happiness in me  
I think that I might just have to let you go  
Don't know

(Spoken:)

So you like playin' those games huh  
I'ma see how you do  
When I walk out the door  
I'm out

Chorus till fade
