

# Brian McKnight, Stay With Him (Intro)

When we started  
Down this crooked path  
It was a point in time  
Wasn't meant to be  
I told you not  
Not to fall  
In love with me

I hate  
I hate to leave you  
Out there on that limb  
I think you might  
Might as well, stay with him

They say the grass  
The grass is greener over yonder  
On the other side  
I never told you, that I loved you  
And if I did, baby I lied  
You wanna tell  
That its over  
Well I think, you might wanna think again  
Maybe you might as well  
Might as well, stay with him  
Cause' you don't know  
You don't know  
How much he loves you  
And needs you so  
You don't really wanna be,  
Be with me  
Cause' I'd leave you all alone  
I hate to leave you  
Out there on that limb  
I think you might as well  
Stay with him
