

# Brian McKnight, Tell Me

Been around the world from A to Z  
I wanna tell ya  
I believe that you could very well complete me  
I hang on every word you say  
Think about you all night and day  
It's not fate, it's destiny  
And if you feel the same way

Chorus:

Tell me how you feel and what you need  
Tell me all the secrets that you keep  
Tell me what you want  
Call me and it's on tonight  
Let me kiss all your tears away  
Call me anytime of night or day  
Tell me what you want  
Call me and it's on tonight

You got a strong mind and you do your own thing  
I'd never stop you  
Don't have to be in control of everything  
Together we are the gold  
Together we're gold  
And the dough won't ever be spent  
Give it half a chance  
I know we'll win  
Girl if you feel the same way

Chorus

You're the one I've been searching for  
The first time I ever opened the door  
You cast your spell  
And it's taken over me  
You take me up  
Then you bring me down slow  
My pot of gold at the end of the rainbow  
If you believe in me  
And you care for me  
You'll be there for me  
Then tell me...
