

Brian McKnight, Till I Get Over You

I remember the way you used to
Touch me all time
I told you how I was
The luckiest man alive
And now I hear you showin' off
Your new boy, frontin'
Like everything's all right
I'll be damned if I let you know
That I still
Find it hard to sleep at night

1 - Outside I'm smiling
Inside I'm crying
I just keep denying
Till I get over you

Repeat 1

Endless times I stayed up
All night, waiting for you to call
Lying to myself

'Cause, you aren't thinking 'bout me at all
My eyes are holding back the tears
My pride won't let you see me act a fool
'cause I'll be damned if I let you know
That I still feel something for you

Repeat 1

Repeat 1

Can't forget the way we touched
(Every day, every night, baby)
And the way we used to make love
(I still remember how it feels)
Baby, but now it's over and you're gone
(I've got to say goodbye)
Because I know, I can't go on without you

Repeat 1 until fade
