Brian McKnight, Whatever You Want

id you have a bad day
Well, sometimes shit go that way
But, come here let me rub your feet
Baby I know just what you need
So I'm movin' on to your back
Or maybe you'd like to take a bath
Well, come on in the water's fine
All you gotta do is ask

Whatever you want
Whatever you need
We're takin' this from A to Z
Tonight
Gonna take it nice & slow

It's not about me
It's whatever you like
Girl I'm tryin' to be
Your man for life
Baby you don't have to go

No, not tonight

Forget all about today
Let my fingers take the pain away
And lay back relax your mind
Don't think about the time
'Cause we got all night

Don't worry 'bout a thing
For you I'd do anything
Just wanna make it clear
That I'm so glad I've got you here

Whatever you want
Whatever you need
We're takin' this from A to Z
Tonight
Gonna take it nice & slow

It's not about me
It's whatever you like
Girl I'm tryin' to be
Your man for life
Baby you don't have to go

No, not tonight

You're the only one that matters
I'll never leave you
I just wanna please you
Girl, you know how much I need you

Baby I swear
You don't have to worry
I'll be there for you
I got to have you
In my life

Whatever you want
Whatever you need
We're takin' this for A to Z
Tonight
Gonna take it nice & slow

It's not about me
It's whatever you like
Girl I'm tryin' to be
Your man for life
Baby you don't have to go

No, not tonight
