

# Brian McKnight, Win

Dark is the night  
I can weather the storm  
Never say die  
I've been down this road before

I'll never quit  
I'll never lay down  
See I promised myself that I'd never let me down

Chorus: So I'll never give up  
Never give in  
Never let a ray of doubt slip in  
And if I fall, I'll never fail  
I'll just get up and try again  
Never lose hope, never lose faith  
There's much too much at stake  
Upon myself I must depend  
I'm not looking for place or show  
I'm gonna win

No stopping now  
There's still all ways to go  
Someway, somehow  
Whatever it takes I know  
I'll never quit  
I'll never go down  
I'll make sure they remember my name  
A hundred years from now

Chorus

When it's all said and done  
My once in a lifetime won't be back again  
Now is the time to take a stand  
Here is my chance  
That's why I'll

Chorus
