

# Brian McKnight, You Could Be The One

Did you say you had to leave  
(Can you stay the night with me)  
Is that the way it has to be  
How I hate to see you go  
But it's ok because I know

Chorus:

You could be the one  
I waited for  
You could be the one  
That opens up the door  
You could be the one  
I run to  
You could be the one  
You could be the one  
To share my nights  
You could be the one  
That brightens up my life  
You could be the one I run to  
You could be the one

Everynight I wish upon a star  
(Only wanna be with you)  
Just wanna be everewhere you are  
My body's callin' out your name  
Girl tell me that you feel the same

Chorus

I waited like forever  
Thought I'd find you never  
I just might be done  
Think I found the one

Chorus
