

Brian McKnight, Your Love Is Ooh

Your love is ooh
Your love is ooh baby

Contemplate, as we lay
Caught up in your web of pleasure
Let me get my thoughts together
Concentrate, stimulate
Ecstasy cannot be measured
I finally found my treasure

Chorus:

When I think about the love we make
I can't find the words to say
Your love is ooh, your love is ooh baby
When I think about the love we make
I run out of breath and I start to shake
Your love is ooh, your love is ooh baby

Take the sun
Take the moon
All I ever need is you
You make my dreams come true
Through the storm, nice and warm
Girl you know just what to do
You know just what to do
I'm just an ordinary man
I don't understand
Why the way that I feel gets so hard
For me to explain
Am I dreaming

Chorus

And my heart is beating
Sore from being loved so beyond my needs
All I know, I want the world to know
Your love is ooh
Your love is ooh
Your love is ooh

Baby
Early in the morning
Your love is ooh
In the evening
Late in the midnight hour
Your love is ooh
