

Brian Melo, All I Ever Wanted

Slow Down

Make it last

I'm having the time of my life

And take your photograph

I don't want to leave this behind

what seems so out of reach

we're holding it right in our hands

Let's give up everything

Let's jump in and never look back

Let's jump in and never look back

This is all I ever wanted

but life got in my way

You're all I ever wanted

I didn't see how it could change

That something was missing until today

As soon as you walk through the door

Another sleepless night

but i don't want to sleep anymore

i don't want to sleep anymore

This is all I ever wanted

but life got in my way

You're all I ever wanted

I didn't see how it could change

That something was missing until today

Climbing so high

just don't look down

we can see everything from here

for once in my life

feet off the ground

take your photograph

i'm having the time of my life

This is all I ever wanted

but life got in my way

You're all I ever wanted

I didn't see how it could change

nothing could get in the way

you're all i ever wanted

didn't know what i was missing until today
