

# Brian Setzer, Brian Setzer Orchestra - Baby It's Cold Outside

I really can't stay - Baby it's cold outside  
I've got to go away - Baby it's cold outside  
This evening has been - Been hoping that you'd drop in  
So very nice - I'll hold your hands, they're just like ice  
My mother will start to worry - Beautiful, what's your hurry  
Daddy will be pacing the floor - Listen to the fireplace roar  
So really I'd better scurry - Beautiful, please don't hurry  
Well maybe just a half a drink more - Put some records on while I pour  
The neighbors might think Yeah but it's bad out there  
Hey, what's in this drink - No cabs to be had out there  
I wish I knew how - Your eyes are like starlight now  
To break this spell - I'll take your hat, your hair looks swell  
I ought to say no, no, no, sir - Mind if I move a little closer  
At least I'm gonna say that I tried - What's the sense in hurting my pride  
I really can't stay - Don't hold out  
Ahh, but Baby,  
It's cold outside  
I simply must go - Baby, it's cold outside  
The answer is no - But baby, it's cold outside  
This welcome has been - How lucky you dropped in  
So nice and warm Just look out the window, baby look at that storm  
My sister will be suspicious - Gosh your lips look delicious  
My brother will be there at the door - Waves upon a tropical shore  
My maiden aunt's mind is vicious - Gosh your lips are delicious  
Well maybe just a few minutes more more - Never such a blizzard before  
I've got to go home - But, baby, you gonna freeze out there  
Hey, I need a comb - It's up to your knees out there  
You've really been grand I'm thrilled when you touch my hand  
But don't you see - How can you do this thing to me  
There's bound to be talk tomorrow - Making my life long sorrow  
At least there will be plenty implied - If you caught pneumonia and died  
I really can't stay - Get over that old out  
Ahh, but - Baby  
It's cold outside

[The " ;" indicates the change from Ann Margrett parts to Brian Setzer ones. Though the
