

Brian Setzer, Let's Live It Up

Written by b. setzer

You only go around once on this big spinnin' planet of love
So don't be wastin' my time
Tell me what you're dreamin' of
We'll take a rocket to the moon and when we get that far
I'll hang your coat and hat upon a shooting star
Let's live it up! let's live it up! let's live it up!

Hang up the cat and put the dog out to dry
Roll up the bird, let the alligator wave bye-bye
We'll take a sloe gin to china, a train to peru
In a rusty old steamer or a leaky canoe
Let's live it up! let's live it up! let's live it up!

Around the block in a hot balloon sounds awfully good to me
Or a seat on the wing of a jumbo jet flying straight to mercury

What's the matter with me? baby I've been such a fool
We'll hop on a raft and navigate around in the pool
We'll take a rocket to the moon and when we get that far
I'll hang your coat and hat upon a shooting star
Let's live it up! let's live it up! let's live it up!

What's the matter with me? baby I've been such a fool
We'll hop on a raft and navigate around in the pool
We'll take a rocket to the moon and when we get that far
I'll hang your coat and hat upon a shooting star
Let's live it up! let's live it up! let's live it up!
