

# Brian Setzer, That Mellow Saxophone

Written by r. montrell, j. marascalco, and s.r. blackwell

I wanna mambo, sambo, do my number  
Hold my baby all the summer  
Every time I hear that mellow saxophone

I wanna rip it rock it, really bop it  
Flip it, flop it, davy crockett  
Every time I hear that mellow saxophone

I wanna rock rock rock

Roll roll roll  
Bop bop bop

I wanna rip it rock it, really bop it  
Whoaaaaa, davy crockett  
Every time I hear that mellow saxophone

I wanna rock rock rock  
Roll roll roll  
Bop bop bop
