

# Brian Setzer, That's The Kind Of Sugar Papa Likes

That's the kind of sugar  
That's the kind of sugar  
That's the kind of sugar papa likes

I've been reminiscin'  
Can't believe what I've been missin'  
Won't you give me some of  
Your sweet kissin'  
'Cause that's the kind of sugar  
Papa likes

I don't want no candy  
I don't need no fine peach brandy  
Your sweet lips suit me dandy  
Now, that's the kind of sugar  
Papa likes

That's the kind of sugar papa likes  
That's the kind of sugar papa likes  
Forget about the sugar in your  
Sugar bowl  
I just want a taste of your sweet  
Jelly-roll

My hearts calculatin'  
My true love will still be waitin'  
If I'm not mistakin'  
That's the kind of sugar  
That's the kind of sugar  
That's the kind of sugar papa likes

That's the kind of sugar papa likes  
That's the kind of sugar papa likes  
Forget about the sugar in your  
Sugar bowl  
I just want a taste of your sweet  
Jelly-roll

Baby your smile is showin'  
What I think we've both been knowin'  
So come on honey let's get goin'  
'Cause that's the kind of sugar  
Papa likes

You'll look so in style  
When I walk you down the aisle  
And I'll show you in a little while  
That's the kind of sugar papa likes

That's the kind of sugar papa likes  
That's the kind of sugar papa likes  
Foeget about the sugar in your  
Sugar bowl  
I just want a taste of your sweet  
Jelly-roll

Baby your smile is showin'  
What I think we've both  
Been knowin'  
So come on honey let's get goin'  
That's the kind of sugar  
That's the kind of sugar  
That's the kind of sugar papa likes
