

Brian Setzer, That's The Kind Of Sugar Papa Likes

That's the kind of sugar
That's the kind of sugar
That's the kind of sugar papa likes

I've been reminiscin'
Can't believe what I've been missin'
Won't you give me some of
Your sweet kissin'
'Cause that's the kind of sugar
Papa likes

I don't want no candy
I don't need no fine peach brandy
Your sweet lips suit me dandy
Now, that's the kind of sugar
Papa likes

That's the kind of sugar papa likes
That's the kind of sugar papa likes
Forget about the sugar in your
Sugar bowl
I just want a taste of your sweet
Jelly-roll

My hearts calculatin'
My true love will still be waitin'
If I'm not mistakin'
That's the kind of sugar
That's the kind of sugar
That's the kind of sugar papa likes

That's the kind of sugar papa likes
That's the kind of sugar papa likes
Forget about the sugar in your
Sugar bowl
I just want a taste of your sweet
Jelly-roll

Baby your smile is showin'
What I think we've both been knowin'
So come on honey let's get goin'
'Cause that's the kind of sugar
Papa likes

You'll look so in style
When I walk you down the aisle
And I'll show you in a little while
That's the kind of sugar papa likes

That's the kind of sugar papa likes
That's the kind of sugar papa likes
Foeget about the sugar in your
Sugar bowl
I just want a taste of your sweet
Jelly-roll

Baby your smile is showin'
What I think we've both
Been knowin'
So come on honey let's get goin'
That's the kind of sugar
That's the kind of sugar
That's the kind of sugar papa likes
