

# Brian Setzer, The Knife Feels Like Justice

So you think that you have found  
A better life that you should live  
And you're through givin' it all away  
I wish there's something I could say  
Like the time you looked into the mirror  
And saw someone else lookin' back  
I wish I could find the words  
But there's nothing that even comes close

'cause there ain't nobody ever looked at me  
Without lookin' right through me  
There ain't nobody ever looked at me  
Without lookin' right by me  
And you can't go when the knife feels like justice

When the sun dies down, the air grows cold  
And the moon plays tricks in the night  
Crawlin' low like a snake out of sight  
Your guide is the northern light  
You wanna laugh say I'm insane  
Don't have the sense to come in from the rain  
I know how to keep myself between the drops

There ain't nobody ever looked at me  
Without lookin' right through me

There ain't nobody ever looked at me  
Without lookin' right by me  
And you can't go when the knife feels like justice  
Slip away  
Slip away  
Slip away  
Slip away

So you think that you have won me over  
By settin' me on fire  
With the sound of your beating heart  
And you're burnin' hot desire  
Like the time I looked at your reflections  
And saw someone else lookin' back  
It's a shame things happen that way  
'cause there's no one that even comes close

And there ain't nobody ever looked at me  
Without lookin' right through me  
There ain't nobody ever looked at me  
Without lookin' right by me  
And you can't go when the knife feels like justice  
I said you can't go on when the blade tears inside you  
You can't go on when the knife feels like justice
