

Brian Setzer, There's A Rainbow Round My Shoulder

There's a rainbow round my shoulder
And a sky of blue above
How the sun shines bright
The world's all right
Cause I'm in love

There's a rainbow round my shoulder
And it fits me like a glove
Let it blow let it storm, I'll be warm
Cause I'm in love

Hallelujah, how the folks will stare
When they see that solitaire
That my little baby is gonna wear

There's a rainbow round my shoulder

And a sky of blue above
And I'm shoutin so the world
Will know that I'm in love

Hallelujah, how the folks gonna stare
When they see that diamond solitaire
That my own true baby's gonna wear

There's a rainbow round my shoulder
And a sky of blue above
And I'm shoutin so the world
Will know

I'm in love, I'm in love
There's a rainbow round my shoulder
And I'm in love
