

Brian Wilson, City Blues

Ooooooh

The midnight's down and the sun's all gone in the city
In the city
The sirens are hummin', everything's so gritty
It's a pity, it's a pity

[Chorus:]

Yeah, woah

City Blues - all alone and comin' 'round your windowpane

Oh...

Gets me to leave then I'll catch the train and get out-yes I will

City Blues-nothing ever seems to come to no good

No

The sky is gray - everybody's gotta pay in the city

In the city

The strange loud people made a mess of the world-it wasn't pretty

It's a pity

[Chorus 2x]
