

# Brian Wilson, Don't Let Her Know She's An Angel

I don't know why she adores me  
Why I'm the man of her dreams  
She thinks that I am her hero  
I'm not even sure what love means

Don't let her know she's an angel  
Don't let her know that you see  
Don't let her know that she's touchin' me  
I'm scared that she'll want to go free

I know I've fooled and deceived her  
Tricked her in love with me  
Pretending that I don't need her  
Love's full of such treachery

Don't let her know she's an angel  
Don't let her know that you see  
Don't let her know that she's touchin' me  
I'm scared that she'll want to go free

Some things are best left unsaid  
Some things should stay in your head  
I scare her away with my passion  
It's better I take no action

Don't let her know she's an angel  
Don't let her know that you see  
Don't let her know that she's touchin' me  
I'm scared that she'll want to go free

Maybe someday I'll tell her  
Tell her what she means to me  
Maybe someday I'll show her  
How loving a guy I can be

Don't let her know she's an angel  
Don't let her know that you see  
Don't let her know that she's touchin' me  
I'm scared that she'll want to go free

Don't let her know she's an angel  
Don't let her know that you see  
Don't let her know that she's touchin' me  
I'm scared that she'll want to go free

Don't let her know she's an angel  
Don't let her know that you see  
Don't let her know that she's touchin' me
