

Brian Wilson, Don't Let Her Know She's An Angel

I don't know why she adores me
Why I'm the man of her dreams
She thinks that I am her hero
I'm not even sure what love means

Don't let her know she's an angel
Don't let her know that you see
Don't let her know that she's touchin' me
I'm scared that she'll want to go free

I know I've fooled and deceived her
Tricked her in love with me
Pretending that I don't need her
Love's full of such treachery

Don't let her know she's an angel
Don't let her know that you see
Don't let her know that she's touchin' me
I'm scared that she'll want to go free

Some things are best left unsaid
Some things should stay in your head
I scare her away with my passion
It's better I take no action

Don't let her know she's an angel
Don't let her know that you see
Don't let her know that she's touchin' me
I'm scared that she'll want to go free

Maybe someday I'll tell her
Tell her what she means to me
Maybe someday I'll show her
How loving a guy I can be

Don't let her know she's an angel
Don't let her know that you see
Don't let her know that she's touchin' me
I'm scared that she'll want to go free

Don't let her know she's an angel
Don't let her know that you see
Don't let her know that she's touchin' me
I'm scared that she'll want to go free

Don't let her know she's an angel
Don't let her know that you see
Don't let her know that she's touchin' me
