

Brian Wilson, Forever My Surfer Girl

Summer '61
A goddess became my song
Fell in her ocean eyes
As endless as the sky

Forever she'll be my surfer girl
Forever she'll be my surfer girl
My little one

First love is the moment
You can't repeat, but you'll always own it
The gift she gave to me
Her timeless melody

Forever she'll be my surfer girl
Forever she'll be my surfer girl
My little one

So sweet
<i>Now there's all kinds of music&/i>;
So sweet
<i>And don't you know the truth is&/i>;
So sweet
<i>You were my special lover&/i>;

So sweet
<i>You were my baby grand&/i>;
So sweet
<i>Such a sweet ballad and&/i>;
So sweet
<i>Sweet voices right from heaven
Radio seven&/i>;

So long, so long ago
Two waves gently say hello
We'll never say goodbye
Where the horizon lies

Forever she'll be my surfer girl
Forever she'll be my surfer girl
My little one
