Brian Wilson, I'm Waiting For The Day

I came along when he broke your heart That's when you needed someone To help forget about him

I gave you love with a brand new start That's what you needed the most To set your broken heart free

I know you cried, and you felt blue But when I could I gave strength to you I'm waiting for the day when you can love again

I kissed your lips
And when your face looked sad
It made me think about him
And that you still loved him so

But you know that pretty soon I made you feel glad That you belonged to me And love began to show

He hurt you then, but that's all gone I guess I'm saying you're the only one I'm waiting for the day when you can love again

He hurt you then, but that's all done I guess I'm saying you're the only one I'm waiting for the day when you can love again

You didn't think that I could sit around and let him work
You didn't think that I could sit around and let (watch) him take you
You didn't think that I could sit around and let him go
You didn't think that I could sit back and let you go
You didn't think...
