

Brian Wilson, Spirit Of Rock'n'roll

The memories still hold us together
No matter if we're young or old
As long as there's music we'll all live forever
In the spirit of rock and roll

Once it's in your blood
You won't be the same no more
Reaching every land
From l.a. to tokyo
It's in the heart of every boy and girl
Everywhere all around the world

The spirit (the spirit) the spirit (the spirit)
The spirit of rock n roll
The spirit (the spirit) the spirit (the spirit)
The spirit of rock n roll

You know chuck, buddy, and elvis paved the road
The roots are deep inside us
It's the rythm in our soul
Now it's the heart that's behind the beat
The only sound that is complete

The spirit (the spirit) the spirit (the spirit)

The spirit of rock n roll
The spirit (the spirit) the spirit (the spirit)
The spirit of rock n roll

Can you hear it
Rockin' to the beachy type the spirit
The spirit the spirit
It's in the heart of every boy and girl
Everywhere around the world

The spirit (the spirit) the spirit (the spirit)
The spirit of rock n roll
The spirit (the spirit) the spirit (the spirit)
The spirit of rock n roll

The spirit (the spirit) the spirit (the spirit)
The spirit of rock n roll
The spirit (the spirit) the spirit (the spirit)
The spirit of rock n roll

The spirit (the spirit) the spirit (the spirit)
The spirit of rock n roll
The spirit (the spirit) the spirit (the spirit)
The spirit of rock n roll
