

Brianna Lane, Her Song

in an odd and evil sort of way
she put me back together
when I heard her sing
she showed me the puzzle pieces
and how to make them fit

and she didn't even know that
didn't even know that I was listening

she sang something 'bout the moon
the rest I didn't hear
my eyes focused on
her fingers as she played
her voice sang loud and clear
made all my troubles
a million miles away
a million miles away
a million miles away

and she didn't even know that
didn't even know that I was listening

instead of staying home alone
and getting drunk on a bottle of cheap red wine
I sang the harmony line
I sang the harmony line

and she didn't even know that
didn't even know that I was listening
