

# Bridgit Mendler, How To Believe

Hold my hand and fly,  
Never say goodbye.  
Cross the open sky,  
Leave the world behind.  
I will be alright.  
If you stay by my side.

Spring and Summer  
Love and Laughter  
We'll Live Happily  
Ever After.  
We'll fly higher than we thought we'd be  
Because you showed me  
How to believe.

Tiny Shining star,  
I know who you are.  
You're never very far.  
We'll never be apart.  
Sparkle in my eye,  
Light up the sky tonight.

Spring and Summer  
Love and Laughter  
We'll Live Happily  
Ever After  
We'll fly higher than we thought we'd be  
Because you showed me  
How to believe  
...believe

Fall and Winter  
Love and Laughter  
We'll Live Happily  
Ever After.  
We'll fly higher than we thought we'd be  
Because you showed me  
How to believe.

Hold my hand and fly,  
Never say Goodbye
