

Bright Eyes, One Foot In Front Of The Other (Aka

If you walk away, I'll walk away
First tell me which road you will take
I don't want to risk our paths crossing someday
So you walk that way, I'll walk this way
The future hangs over our heads
And it moves with each current event
Until it falls all around us like a cold steady rain
Just stay in when it's looking this way

The moon's laying low in the sky
Forcing everything metal to shine
And the sidewalk holds diamonds like a jewelry store case
They argue "Walk this way and I'll walk this way"

And Laura's asleep in my bed
As I'm leaving, she wakes up and says
"I dreamed you were carried away on the crest of a wave
Baby, don't go away, come here"

And there's kids playing guns in the street
And one's pointing his tree branch at me
So I put my hands up, I say "Enough is enough
If you walk away, I'll walk away"

(And then he shot me dead)
I found a liquid cure
For my landlocked blues
It will pass away like a slow parade
It's leaving but I don't know how soon

And the world's got me dizzy again
You'd think after 22 years I'd be used to the spin
And it only feels worse when I stay in one place
So I'm always pacing around or walking away

I'm drinking the ink from my pen
And I'm balancing history books up on my head
And it all boils down to one quotable phrase
"If you love something, give it away"

A good woman would pick you apart
A box full of suggestions for a possible heart
And you may be offended and you may be afraid
But don't walk away, don't walk away

We made love on the living room floor
With the noise in the background from a televised war
And in that deafening pleasure I thought I heard someone say
"If we walk away, they'll walk away"

But greed is a bottomless pit
And our freedom's a joke, we're just taking a piss
And the whole world must watch the sad comic display
If you're still free, start running away

I've grown tired of holding this pose
I feel more like a stranger each time I come home
So I'm making a deal with the devils of fame
Saying "Let me walk away, please"

You'll be free, child, once you have died
From the shackles of language in measurable time
And then we can trade places, play musical graves
Tell them "Walk away, walk away, walk away"

So I'm up at dawn
Putting on my shoes
I just want to make a clean escape
I'm leaving but I don't know where to
I'm leaving but I don't know where to
