

# Bright Eyes, The first day of my life

This is the first day of my life  
I swear I was born right in the doorway  
I went out in the rain suddenly everything changed  
They're spreading blankets on the beach  
Yours is the first face that I saw  
I think I was blind before I met you  
Now I dont know where I am  
I dont know where Ive been  
But I know where I want to go  
And so I thought Id let you know  
That these things take forever  
I especially am slow  
But I realize that I need you  
And I wondered if I could come home  
Remember the time you drove all night  
Just to meet me in the morning  
And I thought it was strange you said everything changed  
You felt as if you'd just woke up  
And you said this is the first day of my life  
Im glad I didnt die before I met you  
But now I dont care I could go anywhere with you  
And Id probably be happy  
So if you want to be with me  
With these things theres no telling  
We just have to wait and see  
But Id rather be working for a paycheck  
Than waiting to win the lottery  
Besides maybe this time is different  
I mean I really think you like me
