

Brighton Rock, Assault Attack

Look around, all that surrounds you
Involved in constant change
Fear of life, their reasons astound you
Strong wills may lead to the fray

But I know your fears
Wipe back the tears from your eyes
You knew all along
Under fire, you keep moving on

Assault attack
Can we all withstand the rain
Not forgetting just the same
Hand in hand, we'll fight together

Responsible eyes, heads constantly turning
I want to know who's to blame
Evil minds say, you don't have to worry
Only the innocent pay

I know your fears
Wipe back the tears from your eyes
Yeah, you knew all along
Still it cannot change our song

Assault attack
Can we all withstand the rain
Not forgetting just the same
Hand in hand we'll walk together

(Solo)

Well I know your fears
Wipe back the tears from your eyes
Yeah, you knew all along
Under fire, you keep movin' on

Assault attack
Can we all withstand the rain
Not forgetting just the same
Hand in hand we'll fight together

Assault attack
We just keep on movin'
Got to find a solution
It's up to you to lead the way

Assault attack
Can we all withstand the rain
Not forgetting just the same
Hand in hand we'll fight together

Assault attack
We just keep on movin'
Got to find a solution
Ahhh, yeah, we need it
