

# Brighton Rock, Save Me

Ooh, oh, yes sir

Sunny Sunday morning  
On a highway bound for you  
Ooh, miles and miles of road  
I&#039;m tryin&#039;, fightin&#039; on  
The feelings strong

Long distance love  
Lighting the way  
`Til I next see you

Save me  
I&#039;m reachin&#039; out for your love  
Yeah, we&#039;ll soon be together, love  
I need to feel your touch

Time and time I tell myself  
That you know what  
I&#039;m going through  
Yeah, I got you under  
Can&#039;t be tied down  
And round to hurting you

Still my message  
Sends the truth  
`Til I next see you

Save me  
I&#039;m reachin&#039; out for your love  
Yeah, we&#039;ll soon be together, love  
In your waiting arms, whoa, oh, oh

Sending out the truth  
My message must get through  
Feelin&#039; is strong now  
Can&#039;t go on long  
Until the night  
`Til I&#039;m holding you

Save me  
I&#039;m reachin&#039; out for your love  
Yeah, we&#039;ll soon be together, love  
In your waiting arms, oh

(Solo)

Save me  
I&#039;m reachin&#039; out for your love  
Yeah, we&#039;ll soon be together  
In your waiting arms

Save me  
I&#039;m reachin&#039; out for your love  
Yeah, we&#039;ll soon be together  
In your waiting arms

Yeah, your arms, yes sir  
Ooh, yeah, yeah, yeah
