

# Brimstone, Tunes of Thunder

All these fashions changes passes by  
I see them rise and take control  
Just to fade out and die  
From love to hate and boots of steel  
I don't care what you say  
I know this magic's for real

The fire the satanic spell  
Raging power from the pits of hell  
It binds your soul and  
there is no return  
The tunes of thunder  
In your heart forever burn

Times will change  
Like summer turns to fall  
But metalheads  
Can not be stopped  
When they once heard the call  
No laws can keep  
This power chained  
Hear the roar as  
Heavy metal  
Attacks you again

The fire the satanic spell  
Raging power from the pits of hell  
It binds your soul and  
there is no return  
The tunes of thunder  
In your heart forever

Lightning strikes  
An earthquake shakes the ground  
As every metalheart  
Begins to pound  
Like a mighty raven it  
Will fly forever  
Tunes of thunder  
Cracks the sky

The fire the satanic spell  
Raging power from the pits of hell  
It binds your soul and  
there is no return  
The tunes of thunder  
In your heart forever

Lightning strikes  
An earthquake shakes the ground  
As every metalheart  
Begins to pound  
Like a mighty raven it  
Will fly forever  
Tunes of thunder  
Cracks the sky
