

# Bring It On, You're Just What I Need

Oh torrance  
can't stand you're cheerleading squad  
But I love you very much.

1234  
I'll send you flowers every day  
just roll you in the hay  
and I'm feeling fine  
I'm right outside  
And I know I'll get my way-ay

And you're just what I need  
And you're just what I need  
Not everything turns out to be  
As bad as cheerleadingx2

And you're just what I need
