Bring It On, You're Just What I Need (Bring It On)

O torrence can't stand your cheerleading squad but I love your pom poms I'd feed you bon bons alll niiight 1234 yeah

Yeah, you got me feelin' those butterflies inside In your locker I would hide The truth -- it's only you I see And you're just what I need I'll bring you flowers every day Just to roll you in the hay Well I'm feelin' fine, I'm right on time I know I'll get my way....

And you're just what I need And you're just what I need Not everything works as it seems Is that so hard to believe?

So I went down to the record store Picked my head up off the floor The truth, its only you I see And you're just what I need And if its my world that you fear Let me make this very clear Well I'm feelin' fine, I'm right on time I know I will get my way... And you're just what I need And you're just what I need Not everything works as it seems Is that so hard to believe?

Hah...woo ha!!...

I'll bring you flowers every day Just to roll you in the hay And I'm feelin' fine, I'm right on time I know I'll get my way.... And you're just what I need And you're just what I need Not everything works as it seems Is that so hard to believe?

And you're just what I need And you're just what I need Not everything works as it seems Is that so hard to believe? Yeah....
