

Bring Me The Horizon, Antivist

Middle fingers up, if you don't give a fuck!
I'm sick to death of swallowing, every single thing I'm fed.
Middle fingers up, if you don't give a fuck!
You think you're changing anything?
Quick! Change everything!

The world is a shit tip, your children are fucked
The ones you forgot, you are out for your own
When minds are ___ and washed out with ___
But what exactly do you think you're gonna do?

United, we'll fail.
Divided, we'll fail.
We're fucked, but you're makin' it worse.
United, we'll fail.
Divided, we'll fail.
Give up, 'cause you're makin' it so much worse.

Middle fingers up, if you don't give a fuck!
I'm sick to death of swallowing every single thing I'm fed.
Middle fingers up, if you don't give a fuck!
You think you're changing anything?
Quick! Change everything!

Oh, give me a break you diluted, ireful, self-serving prick.
If you really believe in the words that you preach, get off your screg, and onto the streets.

There will be no peaceful revolution!
No one without blood!
You can say I'm just a fool, that stands for nothing.
Well, to that,

I say - you are a cunt!

(Kick it!)

United, we'll fail.
Divided, we'll fail.
United, we'll fail.
We're fucked, but you're makin' it worse!

Middle fingers up, if you don't give a fuck!
I'm sick to death of swallowing every single thing I'm fed.
Middle fingers up, if you don't give a fuck!
You think you're changing anything?
Quick! Change everything!
