

# Bring Me The Horizon, Don't Go

I was raised in the valley  
There was shadows of the death  
Got out alive but with scars I can't forget

This kid back at school  
Subdued and shy  
An orphan and a brother and unseen by most eyes.

I don't know what it was that made a piece of him die  
took a boy to the forest, slaughtered him with a scythe.

Stamped on his face, an impression in the dirt.  
Do you think the silence makes a good man convert?

We all have our horrors and our demons to fight.  
But how can I win, when I'm paralyzed?

They crawl up on my bed, wrap their fingers round my throat.  
Is this what I get for the choices that I made?

God forgive me for all my sins  
God forgive me for everything  
God forgive me for all my sins  
God forgive me  
God forgive me

Don't go  
I can't do this on my own  
Don't go  
No I can't do this on my own

Save me from the ones that haunt me in the night.  
I can't live with myself, so stay with me tonight.

Don't go  
Don't go

If I let you in  
You'll just want out  
If I tell you the truth  
You'll fight for a lie  
If I spilt my guts  
it would make a mess we can't clean up.

If you follow me  
you will only get lost.  
If you try to get closer  
We'll only lose touch  
But you already know too much  
And you're not going anywhere

Tell me that you need me cause I love you so much  
Tell me that you love me cause I need you so much  
Tell me that you need me cause I love you so much  
Say you'll never leave me cause I need you so much

Don't go  
I can't do this on my own  
Don't go  
No I can't do this on my own  
Save me from the ones  
that haunt me in the night.  
I get scared so stay with me tonight

Don't go  
I can't do this on my own  
Don't go  
Save me from the worst  
And hold me in the night.  
Save me from the ones that haunt me in the night.  
Don't go

Don't go  
Don't go  
Don't go  
Don't go

Don't go  
Don't go  
Don't go  
Don't go

Don't go  
Don't go  
Don't go
