

# Bring Me The Horizon, It Was Written In Blood

Goodbye my friend, goodbye  
My love, you're in my heart  
It was preordained that we should part  
We're united by and by, united by and by  
Goodbye  
No handshake to endure, there was nothing

It was written in blood  
It was written in blood  
It was written in blood  
Oh god, written in blood  
It was written in blood  
It was written in blood  
Oh my god, it was written in blood

Inside no sadness, for a prowl  
As nothing new lay dying now  
Inside no sadness, for a prowl  
And nothing new lay dying now

And it was written in blood

It was written in blood  
It was written in blood  
It was written in blood  
Oh my god, it was written in blood  
It was written in blood  
It was written in blood  
Oh my god!  
It was written... in blood  
On a suicide note

Like roses, we blossom and die  
Like roses, we blossom and die  
Like roses, we blossom and die  
We fall apart (Die)  
We fall apart (Die)

Like roses, we blossom and die  
Like roses, we blossom and die  
We fall apart  
We fall apart  
Like roses  
We've fallen apart, fallen apart

It was written in blood  
On a f\*\*king suicide note  
the night before he died

It was written in blood  
It was written in blood  
It was written in blood  
My god, written in blood  
It was written in blood  
It was written in blood  
Oh my god!  
It was written... in blood

Like roses, we blossom and die  
Like roses, we blossom and die  
We've fallen apart (Fallen apart!)  
We've fallen apart (Fallen apart!)  
Fallen apart  
We've fallen

These roses, white roses  
Roses  
My roses  
White roses
